

Akancha Singh

Akancha Singh is an MPhil graduate from the International Institute for Population Sciences (IIPS). She has received multiple awards and medals for her academic performance from esteemed institutions like the Banaras Hindu University and the International Institute for Population Sciences. Her areas of interest include Adolescent and Child Nutrition, Gender Studies, and Public Health. She strongly believes in the power of one-to-many conversations and aspires to bridge the nutrition knowledge gap for young women and children. Akancha holds a Bachelor's in Economics from Banaras Hindu University and a Master's in Demography and Population Studies from IIPS.
